

Plateau® Media Tables

For Collaborative Environments

Furniture That Fits®

Encouraging Collaboration

Crafted with the idea of combining functionality and collaboration, Virco's Plateau Series Media Tables were designed to bring groups of people together to create an inclusive environment in schools and in the workplace.

Plateau Media Tables feature a stunning "floating" tabletop design atop a stylish yet functional leg. Choose from several table top shapes and sizes to create shared workspaces that encourage interaction.

With a TV mount for adding your own screen and built-in USB and Power Ports, students and colleagues can easily exchange ideas and share content.

*Plateau Series was designed
by Peter Glass.*

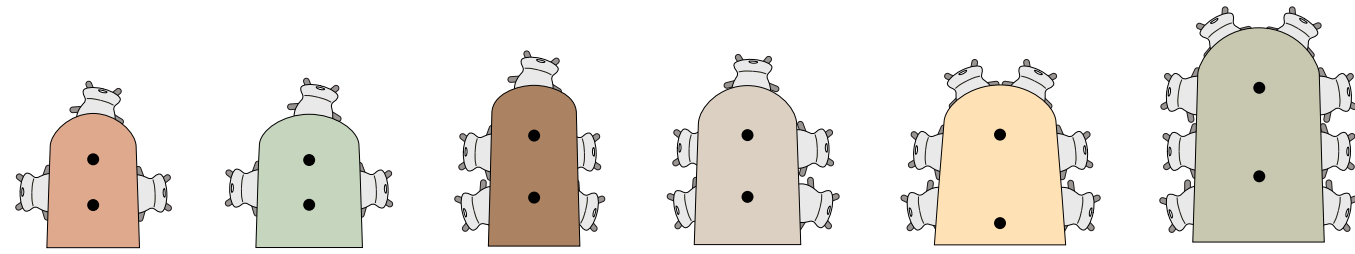

Create an Engaging Space

Plateau Series Media Tables promote creative interaction in education and corporate environments. Tables feature spacious rectangular and peninsula shaped models, which comfortably seat up to eight people, depending on the size and shape.

Sit, Stand or Move Around

With tables in an array of leg styles, the Plateau Series Media Tables make it possible to tailor to any space, from schools and universities to the boardroom. Standard fixed heights provide stationary workspaces, while adjustable stand-up heights deliver ideal sit-to-stand collaboration areas. Casters provide mobility and enhance flexibility by maximizing the use of available space.

Features and Accessories

Plateau Series Media Tables optimize collaboration while supporting technology-based learning environments. Media tables are ideal for STEM spaces, media centers and conference rooms hosting multimedia applications.

An optional monitor mount features a 360-degree pivot and 105-degree tilt. A wire management clip effectively routes cords and wires. Mount supports up to a 52" monitor and maximum weight of 60 pounds.

2 3/8" twin-wheel locking soft casters provide smooth mobility.

Monitor not included

Optional Accessories

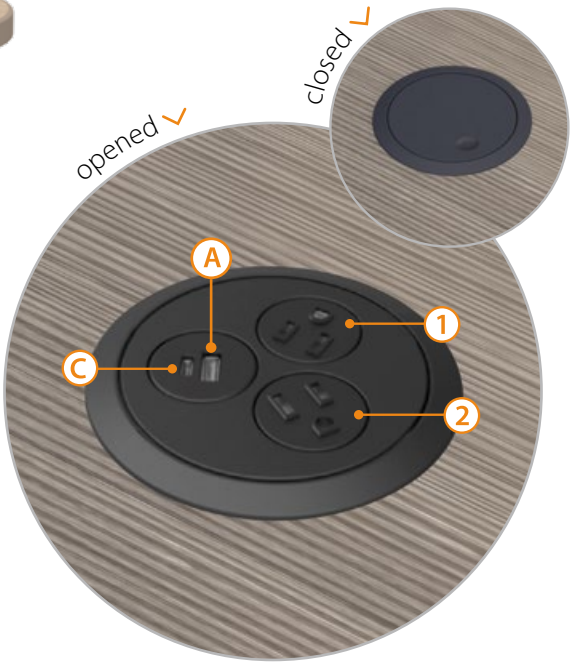

PTSTRAP
Wire management Velcro® strap attaches beneath table tops to organize wires and cables.

PTMTVM
Monitor/TV mount. TV not included.

Convenient and stylish in-surface power and data port. The face cleverly rotates to hide away when not in use. Port features two power outlets, one USB-C, and one USB-A option.

Safe Environments

Virco proudly complies with all laws and governmental regulations affecting our products, including the California Air Resources Board (CARB) regulation on formaldehyde emissions from composite wood products and the federal Consumer Product Safety Improvement Act of 2008 (CPSIA). For information on GREENGUARD indoor air quality certification, ANSI/BIFMA and product warranty information, visit virco.com.

Proudly Designed, Manufactured And Assembled By American Workers

Since 1950, when we opened our doors in Southern California, Virco has been proud to design, manufacture and assemble our products in the U.S.
