# 2025 Virco Furniture Favorites

# Featuring Hundreds Of Our Most Popular Models

# Proudly Supporting American Workers since 1950:

One of America's iconic brands, Virco is the country's leading manufacturer and supplier of furniture and equipment for K-12 schools. Many manufacturing processes – from metal fabrication and woodworking, to plastic injection molding, powder coating and chrome plating – are done in-house at our two state-of the-art facilities in Torrance, California, and Conway, Arkansas. Because we're involved in almost every process from beginning to end, we can assure the highest quality product at an affordable price. Our American workforce takes pride in their work, knowing that their expertise has earned Virco a reputation for integrity and value.

# **Steel-Frame Science Tables**

Steel-frame science tables have a heat-, water- and chemical-resistant Epoxy resin or Chemsurf® laminate top with edge sealed Sure Edge®.

# Two Top Styles To Choose From

# **Epoxy Resin Top**

Non-toxic epoxy liquid is poured into a mold to become a solid epoxy top, which is extremely heavy and provides superior resistance to abrasion, chemicals, acid, heat and moisture. This is the most durable science table top that Virco offers.

# Chemsurf® Top With Sure Edge®

As the midline grade of science table tops in Virco's product line, Chemsurf high-pressure laminate work surfaces provide very good heat and chemical resistance; they're also acid-resistant and water-resistant. Tops edges are finished with urethane-based Sure Edge.

# **Easy Ordering**

For the fastest service, you can send purchase orders via email to orders@virco.com. All purchase orders must include:

- Your Complete Billing Information, including the billing address, the contact person and their phone number (If you know your Virco account number, please provide that as well).
- Complete Shipping Information (where the furniture should be sent) including physical address, the contact person and their phone number, and any special delivery requirements (example: Mark cartons with PO #, delivery hours)
- Model number and color selection for each item.

Virco is pleased to offer online purchasing for our customers. For more information, visit: shop.virco.com

# **Terms and Conditions:**

• Selections apply to orders taken by December 31, 2025 for immediate delivery.

# **Delivery Expectations**

Orders that include Campus Basics products will ship, without prior notice, within two to six weeks from order acknowledgement. It's important to note that during non-summer months, certain items may ship within a few weeks. If you have a specific delivery request or if you have a delivery request that is further in the future, please communicate your request clearly on your purchase order. Any purchase order that does not include specific delivery information will ship as soon as it's ready. During our peak season of July and August, delivery dates may be extended due to heavy demand for both products and transportation. Accepting orders as soon as they are ready is the best way to ensure your order is fulfilled.

# Virco Warranty

Virco will repair or replace, at its option, any Virco furniture or equipment product which proves to be defective in original material or workmanship that may become evident within the first 10 years of the date of purchase and 5 years from the date of purchase for glides, floor rocker foam pad, casters, pneumatic cylinders and torsion bars on mobile folding tables. This is your sole and exclusive remedy. This warranty covers products manufactured after January 1, 2017, as long as product is owned by original purchaser, and is subject to limitations.
